Sale Information

Sale Day Proceedings

The sale will be held on-property and interfaced with Elite Livestock Auctions. It will be an open-cry auction with cow lots displayed on a screen and agents will be present to take your bids.

If you can't attend on-property, you are more than welcome to bid online. Please make sure that you register at least three days prior with Elite Livestock Auctions, to be active on sale day.

If you intend to be present on-property, please RSVP to Brenton so we can be well-prepared for the Covid-19 regulations and also organise catering. As this is one of the only female sales in Victoria this year, it's a great opportunity to get out and catch up with people in the industry.

COVID-19

The sale will be conducted in line with the Victorian Government's restrictions surrounding Covid-19. Please ensure you are 1.5 metres apart and utilise the hand sanitiser that will be available at the sale. You may also need to wear a face mask if law applies.

Registering Calves

All the bull calves will be sold unregistered so the purchaser may register them with their own prefix. All the heifer calves will be sold registered to the Bellaspur prefix.

Buyer Registration

If you intend to actively bid on-property, please register with the settling agents, GTSM and Corcoran Parker, prior to sale on the day. Otherwise if you intend to bid online, please register with Elite Livestock Auctions at least three days prior to sale.

Lunch

Light refreshments will be provided in the morning and lunch will be provided after the sale.

Transfers

Stud females will be transferred upon request.

Delivery

Discuss with Brenton after the sale and we will try and accommodate all successful buyers' needs.

JBAS 8

Bellaspur Angus has recently been updated to a JBAS-8 status.

Supplementary Sheet

We will have the predicted mid-parent EBVs for all calves in the sale. This will be sent out via email, posted on Facebook and available in hard-copy on sale day.

HOW TO REGISTER with ELITE LIVESTOCK AUCTIONS

Welcome to the new age of selling livestock in
Australia and "Happy Bidding"

-  1 Simply go to www.elitelivestockauctions.com.au using your desktop, laptop, iPad, iPhone or android device
-  2 Click on the "Sign Up" page / link
-  3 Create a bidding profile using the bidder registration page.
(You can either register as a livestock agent, company or private buyer.)
-  4 Agree to the Elite Livestock Auctions Terms & Conditions and the Selling Agents Sale Terms & Conditions as printed in the official Sale Catalogue
-  5 Click "Register"
-  6 You will then be notified by email that an account has been created

-  7 Once an account has been created you are all "Set to Bid"
-  8 Each auction can then be viewed by clicking "Live Auction" logo on the Elite Livestock Auctions website
-  9 Once you receive email notification that your account has been created please go to the sale you wish to bid at and click "Request to Bid"
-  10 The sale agents will then approve your application to bid and on the sale catalogue you will see "✓ Bid Request Approved"
-  11 On Sale day simply login, click "Enter Auction" on the catalogue page and you can start bidding.
(There is no need for software download)
-  12 At the completion of the auction, invoicing will be carried out as per your registration details by the Selling Agents.

Intro

As our stud continues to grow, the demand for quality cattle has never been higher. The decision to have a female sale this year was due to the number of young females coming through our herd. For the last three years we've kept every heifer, and because of that, we need to make room for the younger, homebred genetics.

There are thirty registered, spring-calving females in the sale. As a group, the cows are very long and thick with good feet and udders. The added value in these cows is their unique matings and high performance calves at foot. These calves have the ability to put your herd a generation ahead of the game.

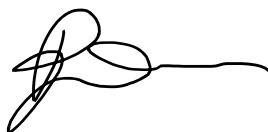

We used breed leading sires over these cows, with exceptionally high data and good phenotypes. Some of these sires include GAR Ashland, Clunes Crossing Dusty and Texas Nasa N121 (who was retained for stud duties at Texas Angus). This is the very first opportunity to purchase Texas Nasa N121 calves in Australia. Both Lot 2 GSBN24 and Lot 24 GSBN59 both have Nasa heifer calves at foot.

It is also one of the last opportunities to purchase Prime Katapult K1 daughters. We had the pleasure of owning K1 and he left a really strong stamp on our herd. Lots 17, 18, 19 and 20 are all K1 daughters. Lot 19 GSBN12 is the most stylish of the K1 daughters and her yearling son is one of my picks for our 2021 bull sale.

There are a couple of females that I'd to draw your attention to in particular. Lot 3 HXIK104 is a big, deep-bodied cow with perfect feet and has a cracking Ashland calf at foot. Lot 7 DBLN443 is a beautiful, easy-fleshing young cow with one of the highest data sets in the sale.

Thank you for your interest in our program and best of luck with your bidding and purchases. If anyone would like to inspect the females prior to the sale, you are more than welcome. Please contact me to arrange an inspection time, this will be in-line with Covid-19 safe regulations.

Cheers,

Brenton Sessions

Inspections Welcome Prior to the Sale

Pre-sale inspections are very welcome. Please contact Brenton to arrange a day and time that is convenient for you.

We're more than happy to show people around the cows and calves. Most of the sale cows have already had their calf.

These inspections will also follow COVID-19 regulations.

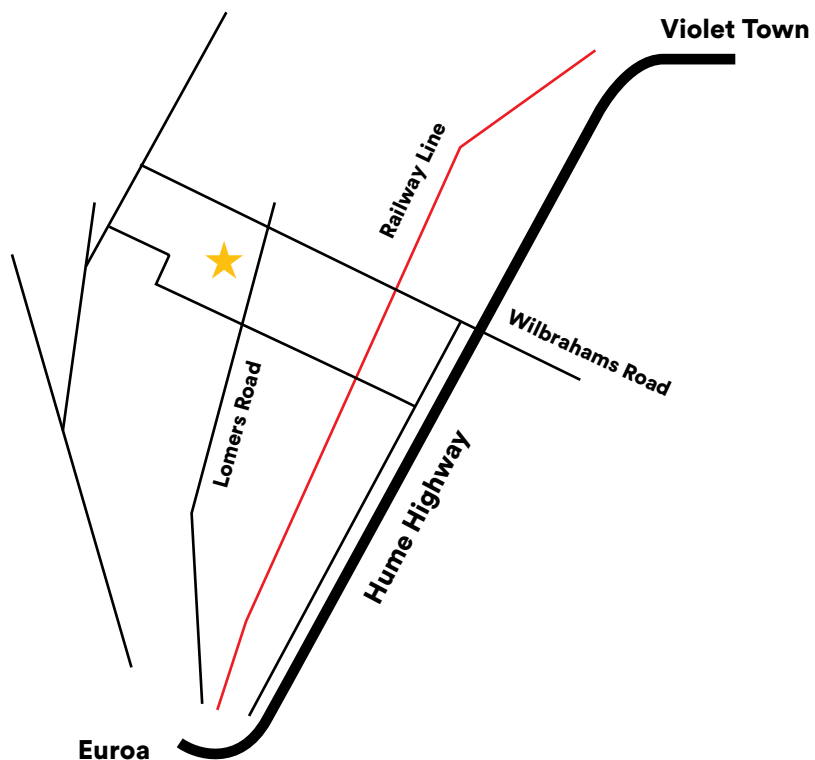

The cows and calves will also be penned at 9am on sale day for prior-inspections.

Directions

Bellaspur Angus is located half way between Violet Town and Euroa.

Stay on the Hume Highway until you reach the Wilbrahams Road turn off. Drive about 3kms down this road (over the railway line) and then turn left onto Lomers Road. The sale complex will be about 1km down this road. There will also be signs on the day.
